For example,  
paragrah \_\_\_\_ says,  
“ ”  
...

The author said,  
“...” in the \_\_\_\_  
paragraph.

For instance, the  
speaker references  
\_\_\_\_ when it says,  
“...”

According to stanza  
\_\_\_\_, “...”

The illustration  
shows ...

I can infer from  
paragraph \_\_\_\_ that  
...

## Remember!

You need TWO  
quotes for each  
answer!!

**SHOW OFF  
STUFF YOU  
KNOW!!**

## Remember!

**RACE  
when you  
answer**

## Example!

The speaker in the poem was obviously wild because he talks about how he became a wolf after stumbling upon a pack of them. In the first stanza the speaker says, “I was drawn into the pack...” Later, in the same stanza, the speaker says, “my flesh had turned to fur.” I can infer from this that the transformation is metaphorical for abandoning societal expectation and giving way to primal instinct.
