

REASONS AND EVIDENCE MIX-UP

Name: _____

Directions: The opinion essay is mixed up! Cut out the sentences and glue them in the proper order. The reasons may be placed in any order as long as each is directly followed by the evidence that supports it. One statement will not be used.

Opinion Statement

Reason 1

Evidence to support Reason 1

Reason 2

Evidence to support Reason 2

Reason 3

Evidence to support Reason 3

Dogs only live for 10 to 15 years, but cats often live to be 20 years old.

They wash themselves with their tongue while humans have to give their dog a bath.

Cats are easier to feed.

Cats are cleaner than dogs.

Cats easily fit into a busy lifestyle.

Dogs have to be let outside multiple times a day to do their business. Cats can even be left for a weekend since they use a litterbox and don't have to be let out.

I think that cats make better pets than dogs.

Dogs will eat all of their food at once, but you can leave a giant bowl of cat food for the cat to eat whenever it's hungry.

REASONS AND EVIDENCE MIX-UP
